

Kuala Perlis

The major activity found here is fishing and many superb seafood restaurants can be found in this small fishing town.

Not only is seafood fresh in Perlis, but it is relatively cheaper than it is in the capital city. Have the fun of eating seafood is selecting the exact critters that you want seasoned, cooked, fried, barbequed, grilled, or sautéed, and served to you.

Key Tips

The town of Kuala Perlis has just a couple of streets with plenty of restaurants which are popular for seafood and the local speciality of 'laksa' (rice noodle dipped in a fish-based gravy).

How to get there

By Road

From the North-South (PLUS) Highway, take the exit via Changlun and take the Changlun-Kuala Perlis highway.
